JUBILEE WISDOM

*God's blessings are many
as we live with wonder
as we age.*

-Elvira Marie Zozaya, SSND

Elvira Marie Zozaya, SSND

60 Years

Sister *Elvira Marie* served as a teacher for 28 years in Effingham, Illinois; Quincy, Illinois; San Diego, California; and Pico Rivera, California. During this time, she taught in Honduras at the Instituto Notre Dame in El Progreso and Our Lady of Guadalupe in La Lima Nueva. She was in pastoral ministry for eight years in Pico Rivera and served as a psychotherapist and counselor at the Gary Center and for Catholic Charities in Los Angeles, California for seven years. Since 2000, she has done parish volunteer work and pastoral counseling in Santa Fe Springs, California, and Los Angeles, California. She received her bachelor's in elementary education from the former Notre Dame College in St. Louis, a master's in guidance counseling education from Loyola Marymount in California and a master's in counseling from Mount St. Mary's in California.

A special blessing of these years was the opportunity to serve many nationalities in the field of education. Also, I'm grateful for the many blessings that have come into my life as I experienced God's presence in the people whom I have served.

The wisdom I would like to share... God's blessings are many as we live with wonder as we age.
