**For more than 190 years, the School Sisters of Notre Dame (SSND) have been transforming the world through education and living their mission to proclaim the good news, directing our entire lives toward that oneness for which Jesus Christ was sent.**

Sisters in the Central Pacific Province (CP) work as educators in schools and parishes, and tutor immigrants and refugees. The sisters' ministries also include nursing homes, hospitals, prisons, spiritual direction, and opposing racism and poverty.

Today, SSNDCP ministers in 45 dioceses, 20 states, Ghana, Guam, Italy, Japan and Kenya. The sisters' positive impact is told in the lives of countless children, women and families throughout the world.

A major gift supports the active ministries and retirement needs of the sisters.
