HELP 30 UKRAINIAN STUDENTS GET TO CAMP IN AUSTRIA

The School Sisters of Notre Dame are helping 30 students from Ukraine, ages 6-10, to experience a summer camp in Austria during July 2023. These students are living in Kiev, where bombing occurs daily. Please consider helping us provide them with summer activities, cultural trips, and some much-needed peace. All donations are helpful.

Creating an opportunity for a break away from war for children 6-10

Providing a space to meet new friends and leave their worries behind

Timing is critical to make this happen. Donations needed by July 1, 2023
